LB 984, 985, 758

want, anyway you want to it but I think that to, I'm not again, I'm not challenging Senator Landis' good faith because I guess we're all getting a little bit sensitive about that on this floor today. I want to emphasize that these bills can move independently and still be meshed to work together in the interest of the state and the interest of water conservation here in the State of Nebraska. I appreciate your generous remarks, Senator Landis, on I would wish you would, also, agree with me on 984 and 985. Thank you very much. I move the bill be advanced.

SENATOR KAHLE: Senator Schmit has closed. We'll be voting on the passage of LB 985. Those in favor vote aye, those opposed vote no.

CLERK: Senator Kahle voting yes.

SENATOR KAHLE: Please vote. Please vote. Only 20 more days. Clerk will record.

CLERK: 27 ayes, 2 nays, Mr. President, on the motion to advance Legislative Bill 985.

SENATOR KAHLE: The bill advances. We now have LB 758.

CLERK: Mr. President, 758, the first item I have on the bill are E & R amendments.

SENATOR KAHLE: Senator Nichol, would you move the E & R amendments? Senator Nichol, would you move the E & R amendments...

CLERK: E & R amendments, Senator.

SENATOR KAHLE: ...for 758?

SPEAKER NICHOL: Yes, I would move the E & R amendments.

SENATOR KAHLE: All in favor of the E & R amendments for 758 vote aye. Those opposed no. The amendments are adopted.

CLERK: Mr. President, the next amendment I have to the bill
